Silestone® Integrity Top

DE Ein Teil. Leichte Montage. So einfach.

Das Integrity Top-Modell ist die neue, einfach zu installierende Spüle, die zusammen mit einer Silestone® Arbeitsplatte ein Gefühl der völligen Einheit und Integration schafft.

Wie der Rest der Integrity-Linie verfügt sie über alle Eigenschaften von Silestone®: hervorragende Kratz- und Fleckenbeständigkeit, extreme Langlebigkeit und leistungsstarkes Design.

Es handelt sich um ein einteiliges Design ohne Komplikationen und ohne Spezialwerkzeuge bei der Montage, das ein Endergebnis aussergewöhnlicher visueller Harmonie bietet.

FR Une pièce. Installation facile. C'est simple.

Le modèle Integrity Top est le nouvel évier à poser au dessus du plan de travail, facile à installer, pour créer un sentiment d'unité et d'intégration totale en combinant avec un plan de travail en Silestone®.

Comme le reste de la ligne Integrity, il possède toutes les caractéristiques de Silestone® : résistance supérieure aux rayures et aux taches, durabilité extrême et design haute performance.

Sans complications ni outils spéciaux pour son montage, il s'agit d'un design monobloc qui offre un résultat final d'une harmonie visuelle extraordinaire.
